Race Preview: Natyam (4) showed encouraging improvement from run one to run two and based on that, with the likelihood of more improvement to come, could be hard to oppose. Shoefella (10) is knocking loudly at the door and will get it right one of these days. He has strong each way claims. The Paul Lafferty pair, Madison Blues (6) and Streetshavenname (5) have the form to be given strong place chances and are worth including in the play.

Race Preview: United's Ransom (6) brings fair Highveld form into the race and if taking to the poly, could be hard to peg back. The yard is in mustard form. La Prestissimo (4) is lightly raced and coming along the right way - she is a big runner. Taste Maker (8) is well tried but is honest and can again place for the connections. Captain Marvel (11) is running well and could help make the trifecta and quartet pay if placing again - no reason why she can't.

Palm Breeze (7) ran well last time and has fair overall form - she should be right there at the finish. Sea Vista (10) and Bless Me Fred (11) both from the Michael Roberts yard have solid form and must be taken very seriously despite their high draws and Georgie George (6) can build on his last run and is the value selection for the quartet.

Fever (7) is as honest and consistent as they come and can never be ignored from any bets - obvious, usual each way chance. Justfortheppenny (4) is taking a long time to win again but is never too far off the action and will pop up one of these days - could be the lurker here.
