			5 Mount Etna 1:17.71

**Race Preview:** The Mike de Kock-trained Platina Princess (7) has the widest draw but has been placed in all three of her starts including a win and the switch to the poly should not hold any fears. Givers Grace (1) was not far back in feature company last time out. She has the best of the draw and Carl Hewitson has booked Richard Fourie for the ride. She Can (4) has improved with every outing for Mike Miller culminating in her recent win. She has been consistent and should run well again. Mount Etna (5) has no Highveld form but maybe the switch to the poly could bring out the best.

			7 Strawberry Stinger 1:13.62

**Race Preview:** Mark Dixon has ducked the filly's race and Captain's Christy (6) takes on males. She has been contesting strong feature events since her maiden win and could prove a touch to strong for her male rivals. The Paul Matchett-trained Mount Pilatus (5) was a narrow winner at long odds on debut but should come on from that effort and may be the one to beat. Teerex (3) has been rested but the Kom Naidoo stable may have turned the corner after the win on Monday and they have a high regard for their colt. Mambo's Call (1) showed good improvement second time out and that form has held up quite well.

**Race Preview:** Rare visitor Phillip Labuschagne Midnight Gem (3) looks well in at these weights and her Highveld form has been solid. If she takes to the poly, as most older horses do, she should be a big runner. Louis Goosen sends out Acacia's Blossom (1) is a tricky contest. The filly has the best of the draw and warmed up nicely with a close-up effort last time out. Russian Doll (2) has a light weight and apprentice Sipheshile Hlengwa is in mustard form. The Roberts stable rider Rachel Venniker can't make 54kg but she does have a chance on stable companion Calulo (7) although her best form is over five furlongs.

		4 Hooves Of Troy 31%	1 African Skyline 1:08.85

**Race Preview:** Magic Tattoo (7) has his third run after a break and has been exceptionally consistent. African Skyline (1) has exceptional recent form for Garth Puller and also has the best of the draw. His last two starts have been in the soft so he should not be bothered by the switch to the poly. Coin Spinner (3) looks safely held by African Skyline on their last meeting but Tony Rivalland's gelding also switches to the poly. Beechamwood Boy (9) is at home on the poly and Wendy Whitehead's charge burst out of the pack late to win his latest. He only got a three-point rise in the handicap for that win.

		2 Aqueae Sulis 24%	3 Capetown Beauty 1:56.82

**Race Preview:** Tricky. Aqueae Sulis (2) looks well treated here and Duncan Howell's mare goes well on the poly. She takes on males and Sean Tarry sends out The Kop (7) who has his third run after a lengthy break and looks primed for this. He may be the one to beat. News Stream (4) is getting long in the tooth but Mark Dixon's gelding is 1.5kg better off with the much younger African Dusk (1) on their last meeting and the form could hold up.

		7 Pewter Sky 29%	6 L'ultimo 1:36.11

**Race Preview:** Strawberry Bear (4) is a top class gelding and Mike Miller's charge could prove a little too good for this field. Prince Of Taranto (1) is seldom far off them and goes well on the poly. He has the best of the draw and should make a race of it. Straight Up (5) is always game and had a tough draw to contend with last run. He has a light weight and should be competitive. Parmenion (2) is seldom far back but Garth Puller's charge has been taking on much weaker.

**Race Preview:** Robbie Sage sends out Mk's Pride (5) who will have needed his last run over a distance too short. He has smart form in feature company and is well in at these weights. Noble City (9) takes on some seasoned opposition but looks progressive and won well last time out. Captain Casey (3) is progressive and Tony Rivalland has called on Champion Jockey elect, Keagan de Melo to do the honours from a good draw. He is not well in at these weights but must have a chance. Tyrone Zackey sends out Flashy Apache (2) who was touched off in a top division handicap last run and can finish in the money again.

**Race Preview:** Tricky. Magical Flight (6) is proven feature race material and she is way down in the handicap from her original high. Sean Tarry looks to have her in the right race. Mark Dixon's filly Malcolm's Dream (3) took on much weaker last start but won with authority. She got a six-point rise in the handicap but she may still be ahead of the handicappers. Stable companion Escapologist (8) is never far back and can finish in the money again. Hugsandhighfives (4) is progressive and her two best efforts have been on the poly. She steps up in trip but should be right there.
