**Race Preview:** Celtic Chief (2) makes his KZN debut for Andre Nel and boast some fair recent Cape form. He may be looking for further but should be competitive in this field. Richard Fourie takes over in the saddle on Future Flo (13) who is overdue a win. However, he has drawn the widest gate which is never easy but a further drop in trip could be the answer. Barry Du Grand (9) was doing his best work late when making his debut. He started at long odds that day but looks capable of good improvement. Darryl Moore puts first time blinkers on Bomber Stream (1) and from pole position he could surprise.

**Race Preview:** Rhydian (6) was a beaten favourite from a tricky draw last time out. He has out in two smart efforts to date and should make another bold bid. Chestnut Bomber (1) improved nicely second time out and now steps up to what should be a more suitable trip. He has also drawn the best gate and should be a threat. Flyingcool (7) has improved with every outing. He is lightly raced and was game in defeat last time out. Karoo Gold (2) has been knocking at the door for some time now. He stays the trip well and should be involved in the finish.

**Race Preview:** Spelling Bee (3) made his handicap debut in strong company and was only five lengths behind the useful The Shepherd. Dean Kannemeyer has dropped him down to a MR78 and although up in the weights he looks capable. Veteran Master Of Destiny (6) improved without the headgear last run and is showing signs of coming to hand. He takes a two-point drop in the handicap and is down in class. Madison Valley (11) has improved in blinkers and was touched off at his last two. Richard Fourie will have to navigate from another wide draw when he rides Bristol Hercules (14) for Peter Muscutt.

**Race Preview:** Mike de Kock has ducked the Daily News 2000 with Marauding Horde (7) in what could possibly be an easier path into the July field. A winner of three on the bounce before finishing 3.5-lengths off Purple Pitcher in the SA Derby. He is not well in at the weights so victory should see his rating jump. One Way Traffic (6) just failed to catch Cape Eagle (4) when last they met with Down To Business (10) also involved in that scrum. Luck in running could be the decider between these three but the latter is much better off in the weights.

She stays the trip well and will start close to favourite. **Saartjie** (6) won a cracking race in the KRA East Coast Cup, coming from almost last in the straight to get up rather cozily. **My Soul Mate** (8) was runner-up to **Frances Ethel** in the Oaks and then went down narrowly to **Beating Wings** (9) in the Igugu Stakes. They meet on the same weight terms and drawn alongside each other.

**Race Preview:** Splashout Derby and WSB Guineas winner **Green With Envy** (5) has got better as he has matured. He came from a seemingly hopeless position to catch the highly rated Sandringham Summit in the Guineas and the Daily News trip will be much more to his liking. He should prove difficult to beat. **Pure Predator** (3) was a close-up second to Purple Pitcher in the Gr1 SA Derby and followed up winning the Gr2 Colorado King Stakes beating **Hotarubi** (9) by under a length. There should not be much between the two again. **Flag Man** (2) could be the joker in the pack. He jumps in class but has won his last three.

**Race Preview:** **That's My Baby** (6) was probably in need of her last start after returning from a lengthy break. She is lightly raced and made her comeback in a feature. **Mary's Greenlight** (10) has the worst of the draw but in a relatively small field. She ran below expectations in the Scarlet Lady and can do better here. **Lady Heist** (7) shouldered a big weight when winning on the poly last time out. She is in good form of late and you should get a run for your money. Stable companion **Virginia Sweet** (1) comes off some useful Cape form and from the best of the draw she can feature.

She only ran out of steam the last 100m and can feature in this company. **Western Wishes** (12) has drawn wide and has a big weight but she has been running consistently of late. **Miss Gibson** (8) has been trying further of late but is never too far back.
