Race Preview: Dantonfomsandton (5) has won twice and been close-up in Highveld features. He gives weight and makes his poly debut but comes from the Sean Tarry yard who seldom have a bad afternoon on this day. Wild At War (7) was only five lengths back in the Gr1 Gold Medallion and was a comfortable maiden winner prior to that. Kalahari Roller (2) was off the track after his maiden win with skin disease so should still be ready to race. Sun In My Pocket (2) made a smart debut, failing narrowly. She takes on males but has a light weight.

Race Preview: Daring Dash (1) has improved with each outing. He makes his poly debut for Weiho Marwing but has the best of the draw over a suitable trip. Teriyaki (5) is seldom fa back and has some fair form in useful maidens. The cheek pieces replace the blinkers but he should feature strongly. Barry Du Grond (6) was a touch disappointing at his second start. Both runs have been in the soft and the switch to the poly could see major improvement. Always Shining (3) is way better than his last run. He goes well on the poly and Dennis Bosch has Richard Fourie aboard.

Rainwater (7) found market support last run when tried in blinkers. The blinkers come of, cheek pieces on along with Richard Fourie. Whereverlaymyhat (6) raced green in a promising debut. He should enjoy this trip. Animal Impact (8) has put in two recent forward showings on the poly. He stays the trip and rates a winning chance.

She has had two runs back since a lengthy lay-off and ran a smart preparation race at her second run back. Proud Master (9) made sudden improvement last run. Pirate Prince (11) has been contesting features over further at recent outings but is effective over this trip. The Alyson Wright stable can do no wrong of late and another winner is on the cards. Tom's Act (2) has come well of late and loves the poly. He has bottom weight and Muzi Yeni to help in along. Petit Verdot (3) has consistent recent form and although she takes on males she has been taking on stronger opposition of late.

Hippocrates (2) goes well on the poly and was a close-up third over course and distance last time out. Brave Voyager (9) is never far behind and although most of his recent form has been over further, he is effective over this shorter trip. Alyson Wright has three runners all with a chance. Strawberry Stinger (10) is coming to hand and was running on strongly on the poly last time out. The extra furlong will suit. Benni In The Area (2) has shown up well on the poly at his last two. He is a strong front runner and can make all.
