4 Elusive Belardo (FR)			
2 Winne Chope (FR)			
3 Terremana (FR)			

Race Preview: Pastisse (FR) is consistent and has shown a liking for the course so gets a narrow vote to score. Elusive Belardo (FR) is probably better on the grass so the last run is forgiven. Winne Chope (FR) was not disgraced at Toulouse earlier this month and could run well on handicap debut. Terremana (FR) showed improvement when scoring on the PSF last time out and will need to repeat it on the turf this time.

5 Sisterland (FR)			

Race Preview: Rose D'ete (IRE) has already won three times over this course and distance. She struggled on the PSF last time out but can bounce back to score. Hasta La Vista (FR) is in very good shape and should be right there at the finish once again. Terre Blanche (FR) may need to find a few lengths to beat those two rivals but can make the frame. Sisterland (FR) could like this distance and is not out of it.

Race Preview: Albine (FR) has to give weight to all his rivals but he is very consistent and sets the standard for the race. Sokna (FR) was not disgraced over 2000m earlier this month and can fight out the finish again. Skimbleshanks (FR) is very consistent and looks likely to be very competitive once again. Kind Of Star (FR) won a nice race in August but has been a disappointment of late.
