**Race Preview:** A small field of juvenile fillies. **Silva City** was not beaten far on debut and with that experience should prove the one to beat. Trainer Gavin Smith did beat her that day with his runner so any market support for unraced Fire Away filly **Fiery Countess** should be noted. **Bonjour La Ville** and **Focal Point** are both William Longsword fillies making their debuts. **Royal Missy** was not disgraced on debut and can contest the finish again. **Zumsee** is a What A Winter newcomer who should be ready for this.

**Race Preview:** There were not too many fillies, if any, better than **Joy And Peace** this year at Fairview. She does give weight away to her rivals but is weighted to win again. **Medlers Tart** is a danger if allowed a soft lead. **Woman's World** took a chance and attempted a raid to Gauteng but was undone by a saddle slip. She could be a threat if in the right mood. **Epikleros** was given a soft ride and then found interference in her comeback run. She is in receipt of 10kg from **Joy And Peace** and should fight out the finish.

**Race Preview:** An interesting race with a visiting horse and a couple making their local debuts. **Crowned Hornbill** probably did not like the soft track last time and was not beaten too far in his first two starts. He makes the trip from the Western Cape. **Chief Runner** lost his way after a good debut and will have blinkers fitted for his local debut. **Brookside** has a place chance. **Greenlight Express** was unlucky on Monday and has a winning chance if jumping on terms. **Winter In Paris** makes her local debut and would not be a surprise winner. **Dancing In Winter** has run well in both her starts and has a place chance.

**Race Preview:** A very weak race and Western Cape raider **Run The World** may well prove too good for these rivals. Blinkers have been fitted and from pole position draw jockey Richard Fourie could give him the run of the race. **Agamemnon** is struggling to win a race but could make the frame. **Lord Quinn** needs to do more to win a race but could play a minor role. **American Matador** makes his local debut and could be a threat. **Genteel** will like it back on the turf and should fight out the finish.

She was caught out of her ground last time out but with a more aggressive ride this time she could pop up at good odds. **Lovegrass** makes her local debut but does have ability and would not be a surprise winner. Stable companion **Articuno** has not been disgraced in her last two starts and has a place chance. **European Summer** seems a difficult ride but could earn some money when in the right mood. **Project Runway** and **Free World** have been consistent of late and are not out of it. **Dafnes Daughter** is clearly better than her last run would suggest and she can bounce back to score.

**Race Preview:** A competitive race and it may pay to include a wide spread of runners in this leg of the Pick 6. **Ardabil** is consistent and can follow up on a recent maiden win. **Masked Vigilante** remains in very good form and can contest the finish again. He does give weight away to all his rivals. **Son Of Zeus** is unreliable but has won over this track and distance. **Golden Pavilion** has been rejuvenated under the care of Gavin Smith and can follow up on a recent win. **Gunsmoke** should also be a threat over this course and distance.
