Race Preview: Global Reef proved to be a bitter disappointment on the Polytrack. He has run well twice since then on the turf and should make a bold bid at beating these rivals. Kinnikinnik may be better on the Polytrack but can contest the finish. He's A Gaul needs to do more to win but could play a minor role. Repetition and Bomber Bay have only been modest in the Western Cape but have made the trip and would not be surprise winners. A Month Of Sundays showed improvement last time out and is not out of it.

Explosive Speed reminded us what he is capable of last time out and should be involved with the finish again. King's Sailor tends to lack a strong finish but could play a minor role.

Dowser tackled stronger last time and is capable of an upset. Slings And Arrows is capable of playing a minor role. Dynalley makes his local debut and would not be a surprise winner. El Romiachi remains in good form and has a place chance. King's Ransom, Makhachev, Mo The Man and Waz Wouter are all capable of getting involved with the finish.

Race Preview: Luna Halo is probably at her very best over 1400m but she is also very good over this distance. She looks the one to be with and stable jockey Richard Fourie is in the irons. Stable companion Official Secret has shone over further of late but was not far behind her stable companion when they last met. Red Sash is at the top of her game and deserves respect once again. Where's The Party makes her local debut and is capable of earning some money. Lady Silvano is in good shape and is not out of it. Among The Clouds has plenty to do under these weight conditions but can earn some money.

Volare E Mambo usually gives of her best and can contest the finish on local debut. State Secret should contest the finish. Get It Done has a place chance.

Race Preview: Another competitive handicap and it may pay to have as many runners as possible in the Pick 6. My Ami Beach needs a very fast pace to be seen at her best. She may get it this time and this is her favourite course and distance. European Summer and Miss Shaivi have both done enough of late to be considered possible winners. Bosnay and Pink Moon are both recent winners who could be better than their handicap ratings. Sharapova has improved of late on the Polytrack and has a winning chance. Komesans Passion is very consistent and is clearly not out of it.

Race Preview: A very open-looking race. Wordsworth is knocking hard at the door and could go one better this time. Fredericos Passion is capable of an upset if finding his best form. Cruzador won a good race last time out and would not be a surprise winner. War Sword seems better than the last run would suggest. Seattle Ripper is unreliable but has a winning chance. Jackson Mississippi and Future Of Energy are both capable of winning.
