Race Preview: Rafeefilly **Easy Tiger** catches the eye. Trainer Mike de Kock does not run his juveniles unless ready to score so we need to take particular note of her. **Nyaka Nyaka** runs for trainer Barend Botes and his connections and he should be ready for this. **Sylvan Warrior** is a Querari colt who represents trainer Tony Peter and he would not be a shock winner. **Zacatoo** has run well in both his starts and should contest the finish. **Bright And Brazen** and **Truly Magical** are two other newcomers to consider.

Storm Brasco flew up to win his comeback and is looking to follow up with just 54.5kg to carry. Fellow four-year-olds Marauding Horde and Command Pilot have very good form at Turffontein and look lively contenders as well. Chestnut Bomber was not disgraced when only just beaten out of the top four in the Grade 2 Dingaans. Truth looks to be back to best, he should be right there.

Mela Strength fought hard to the line last second, his recent form is very good, this looks to be a nice race for him to be right there in the finish again. My Only Weakness has been very consistent since winning her maiden last year, she loved the step up in trip last time when finishing a good second, if she can get some luck in running from a poor draw, she will go close to winning. Gimmefabulous needed her last race and found the distance short. She should come on nicely this time. At the weights Salenio Peninsula could turn it around with Miss Lia who beat her last time. The pair need to be taken seriously again. Watch out for Too Late My Mate and Cocomelon. Both have shown high-class potential and may attract betting support.

Rule Of Thumb was patiently ridden and worked through the field smartly to win going away, with a similar performance here, he will go very close to winning. Chollima wanted the speed to be a bit more genuine up in front last time, he was stayed on strongly to the line in a decent field, on his best form will always has a good chance. Race Preview: Cosmic Speed showed he has lost none of his ability with a promising comeback performance. He should relish the step up in distance. Fellow Grade 2 winner Fire Attack has beaten him before and was a cracking second behind star filly Quid Pro Quo so comes into the race off a great prep. Greaterix tried to do it the hard way again last time and didn't disgrace himself. He has more to come and must not be taken lightly. Both Musical Score and Choisaanada have a bit to find on ratings but look to be going about it the right way.

Kamchatka stayed on well to run a decent second in her last start, she should get the run of the race from a good draw, include her into all bet types. Enchanting Choice ran a fair race last time, if things work out for her in running, she could win a race like this quite easily. Garden Of Eden is highly rated by the stable, she had no luck in running last time, watch her closely, she will be right there in the finish.

Chasing Happiness has won four of her last five starts and deserves the utmost respect. Barbaresco has not been at his best of late. He might enjoy sprinting again and can pop up and score. I Am Giant needed his last run and is capable of an upset. Just Be Lekker is very talented and has a winning chance returning from a break.

Prince Of Tibet made up good ground late to run a nice second last time, he enjoys the sprint trips in this grade, watch him closely, he will be running on late. True Horizon finally got it right on the 18th of December up the straight at Hollywoodbets Kenilworth, now that she has the confidence booster to her name, she could easily give them all a fright in the finish. Tres Chic can be quite a difficult filly to ride, now that she drops back in trip, she will have a good winning chance on her best form.

War Chariot ran a lovely race last time in a strong field, he needs a particular ride, if the race works out for him with no weight on his back, he will be flying at them late. Riverstone has run two very good races in succession, he has tons of ability, and the yard is in great form, include him into all bets. Talk To The Master is the class package in the race, he should be doing good work at the finish.

Meant To Be has been lightly raced, his form is excellent, he will be a big danger in the finish. Heal And Soul showed plenty speed on debut and fought hard to win a good race, will get better and stronger with every start, include him into the play. Sea Wolf is better than the last run would suggest and has blinkers carded for this run so could surprise. Big Boy Bruce is unbeaten in two starts this track and distance and can win again under a penalty. Vibe Sa eventually got his maiden win. He has a place chance. Sea Shanty showed improvement last time out and is not out of it.
