Race Preview: The Doug Campbell-trained gelding **Trend Maker** (5) found some market support on debut and ran a smart second behind Top Gun who made improvement in first time blinkers. That run will have brought him on and the extra furlong should suit. **Rooster Bradshaw** (6) was a little disappointing last run after finishing close-up at his previous start. Duncan Howells has been building a winning relationship with Kabelo Matsunyane and he takes over the irons. **Ragnar The King** (7) has improved with every outing. Muzi Yeni takes over in the saddle. **Prince Florian** (2) has yet to run a bad race. He has a favourable draw and the trip suits.

Race Preview: This could turn into a match between **Quasiforsure** (1) and the progressive **Cats Pajamas** (3). Peter Muscutt's veteran was a close-up second behind the smart William Robertson last time out and although he has won over a sprint, he does seem to be more effective over slightly further with this race right up his alley. In contrast, **Cats Pajamas** is a smart sprinter and Frank Robinson could be testing his charge in useful company to see if he will stay further. **Diani** (4) was a smart third in the Christmas Handicap and that form has since been franked. He has a light weight and Dennis Bosch's runner could upset the more fancied pair. **Donquerari** (5) has been in good form over sprints and could surprise with a step up in distance. Likewise, **Formagear** (2) gives Muscutt a second string to his bow but although capable on his day, he will need to step up on recent performances.

He looks progressive and only has 52.5kg to shoulder. **Mr Master Starter** (10) was a beaten favourite last time, but is never far back and a strong contender here. Sean Veale starts his job as first call rider to Hollywood Racing aboard **Shampompo Shampizi** (12) but has a deep draw to contend with, as does top weight **Mexican Pete** (13) who drops to a more suitable trip.

She was solid in the Flamboyant Stakes but excels over sprints and softer ground, which suits her here. **Patants Heir** (1) finished strongly for a narrow win last time, though that form remains unclear. **Captain's Christy** (8) was beaten by **Patants Heir** but won well next out against similar rivals. **Red Roses Too** (6) is inconsistent but capable, though soft ground could pose a challenge.

Race Preview: Happy Fortune (7) progressed well to win her maiden impressively, with her form boosted since. She faces chief danger **Woza Nawe** (1), a smart winner after finishing behind **Happy Fortune** but a beaten favorite last time. Despite a favorable draw, **Woza Nawe** may settle for second in this tough handicap. **Hodgepodge** (4) looks progressive after finishing second to The Ghost, with Muzi Yeni now aboard. **Honorable Member** (12) has the widest draw but brings solid Highveld form and a strong money chance.

From a favourable draw he can make amends. **Arverni King** (5) tried much further last time out but has not been far back at recent outings. He will certainly strip a fit horse and can get home for MJ Odendaal. **Ralph The Rascal** (1) was the subject of a big gamble last time out with first time blinkers and his supporters only just failed to collect. Race Preview: Icy Lancaster (9) ran well below par in two Kenilworth starts and is now back in her original Summerveld yard of Gareth van Zyl. She had excellent form before her move to the Cape and if finding her best form she should make a bold bid. **Amafort** (2) found strong market support after finishing second at long odds behind **Blowin In The Wind** (12) who has since franked that form. There should not be much between the two again and both need to be included in all permutations. **Jeanne Darc** (14) has also franked the **Amafort/Blowin In The Wind** form with an easy maiden win last time out and is another to add to a list of possible winners.
