Race Preview: It won't be a surprise to see well-bred Master Of My Fate filly **Anotherdanceforme** make a promising debut. She could also have things her own way from gate No 1. But **Sports Fan** was supported on her first racecourse appearance and ran a fair race. She could come on in leaps and bounds. It could get close with **Fieri Countess** and **Bonjour La Ville** on collateral lines of form, however.

Race Preview: **Spicethemainbrace** sets the standard. She is switching from the poly but has a great record on the turf and should be hard to beat. Useful filly **Can't Say No** has been comprehensively beaten by her stable companion and is not weighted to turn it around but she made a form return last time and should be in the fight for prize money. **State Secret** should have needed her local debut and can make good improvement. She has shown useful potential in KwaZulu-Natal and jumps from gate No 1. **Haphazard** showed promise in winning her second start. She can only improve.

Race Preview: **Phil The Fluter** has his issues but on pedigree should enjoy the distance and could open his account. Fillies **Genteel** and **Maxigirl** have decent local form and have drawn well. The pair receive quite a bit of weight from the likes of **Phil The Fluter** and could be dangerous. Watch out for **Cliffie Clavin** who showed potential on the Highveld. He is racing after a rest but if ready could be dangerous. **Cheerful Charlie B** has yet to finish close up but showed something last time and could be in the money again.

Race Preview: **Golden Pavilion** is at the top of his game. He has won well on the poly confirming when switched back to turf and could make it three wins on the bounce. **Dubai Hills** was found to be not striding freely after his last run. He could get closer now having his third start after a rest. **Master Forester** also ran well on both poly and turf. He could get rewarded after finishing runner-up in his last two starts. **Dancingtohelight** ran way below par with excuses last time. He won his only race over this course and distance and must be respected. **Man Of Courage** won his maiden in good style.

Race Preview: **Protect The Dream** produced a sparkling effort to win her local debut. She overcame a wide draw, racing from the front and then also kicked on to fend off challenges. She looks well placed again even if carrying a big weight and dropping in trip. **Queen Of Jazz** wasn't beaten far after a rest and is set to improve. She should relish this course and distance. **Below Deck** is another who should appreciate 1400m on the turf. She has dropped considerably in merit ratings and must find a win soon. **Lily Of The Nile** has run with better but has a wide draw. **Sky Velocity** should be right there too.

Race Preview: **Bush Tracker** ran an encouraging race last time and could finally get back to winning ways. But both **Sequoia** and **Global Ally** are closely matched and should give him a hard time on best form. The former enjoys the distance while the latter has gate No 1 and could take advantage. **Cherry Ano** has an amazing record over the course and distance. His merit rating has dropped and needs to be taken seriously. Another who could run a big race is **Underworld** who has run with the best.

He has won on both poly and turf and is certainly capable. **Karoo Gold** has been staying on nicely in his races. He is finally back on turf and he could much prefer it. **Harold The Duke** is one of the most useful stayers in the region and he could go one better after finishing runner up in his last two starts. But **Nothingelsematters** beat him in good style and with confidence finally boosted he go could go to more victories.

Race Preview: **Gimme's Laddie** is three from three on the turf track at Fairview. He looks well weighted to maintain his unbeaten record even if given a stiffer test this time. All four of his stablemates are capable enough to run big races. Rested **Khaya's Hope** is the class act and he could rise to the occasion as he often loves racing fresh. **Romance In Rome** wasn't disgraced on local debut and is set to make good improvement. **Cliff Top** could finally get his head in front at the right time, he has met some of the best around for a long time. **Anuschka's World** and **The Winter Lake** must be respected too.
