**Race Preview:** Winter In Paris ran well on local debut when third. That form has held up nicely and blinkers could do the trick for her. Sweet Cake looked an unlucky loser earlier this season. She has disappointed on the Polytrack of late but could like it back on the grass. And Action will like it back on the turf and can contest the finish. Miss Prior is holding form and has a winning chance. Serendipitous shows pace and has a place chance.

**Race Preview:** Fire Alarm showed improvement when first put on the turf. That was back in October and she may not be fully fit but she would not be a surprise winner. Global Scene did everything but win last time out. She got nailed on the line and she should fight out the finish once again. De Vlugges and Meursault make their local debut and are capable of improvement. Oh Mandy has been running on late on the Polytrack and should be fine on the turf this time.

**Race Preview:** Ono No Komachi is consistent and should make a bold bid at scoring on local debut. Silvery Surfer showed good improvement on his second start and should be right there at the finish. Grand Oasis ran well on the Polytrack last time out but has to prove that form back on turf. American Pitbull, Mayor Of Merrivale and Stormstride probably need to improve a couple of lengths to win this race but all three are capable of earning some minor money.

**Race Preview:** Catch Your Breath seemed to be undone by a difficult draw last time out. She was slowly away and that did not help her cause. Her form with blinkers before that run was very good and she should bounce back to score provided she does not lose much ground at the start this time. Red Sash is better than her last run would suggest and can earn some more money. Golden Pacific has been holding form and has a place chance. Woman Of Power has been good on the Polytrack of late but has to prove herself back on the turf. Vihaan's Queen has the ability and could be a threat after a change of trainer. Montelena and Back For More can also get involved with the finish.

Stable companions String Of Lights and Free World have both been consistent of late and neither would be a surprise winner. Smashing makes her local debut for a trainer that gets them to improve so she does have a winning chance. Komesans Passion, Bretty and Mediterraneanogdodes are others that could be worth considering.

**Race Preview:** **Princess Palace** shows some ability and drops in class. She goes well this trip and if taking to the poly could be the horse to beat. **Purple Flower** has the widest draw but has been in mustard form of late. Her last win was over course and distance at her penultimate start and she followed up with another forward showing. **Aspoestertjie** finished behind **Purple Flower** when last they met and is now 1.5kg better off courtesy of Rachel Venniker's 1.5kg allowance. **Spirited Flight** is down in class and was improved in cheek pieces last time out.

**Race Preview:** Global Movement takes to the poly and has excellent recent showings on the turf. Older horses tend to do well on the poly. **Burning Man** was a runaway winner first up for his new stable with the blinkers back on. From pole position draw he can go in again. **Kumemori** has drawn wide but takes a drop in class and rating. **Fish Eagle** has yet to finish out of the money in three starts for his new stable and looks well in here. **Ralph The Rascal** has an unfavourable wide draw but has made dramatic improvement in blinkers.

**Race Preview:** Laudato is back on his favourite surface with a handy galloping weight. Lindbergh was doing his best work late last time out and from the best of the draw he has a strong chance. **Officer In Command** may have needed his last run. He has good form on the poly and is smart on his day. **Last One Standing** has been coming down in trip but has steady recent form. Of concern is that his last poly effort was not one to write home about.

He has a handy galloping weight and is a must include in all exotics. **Mvelelo** found a lot of traffic last run but did show improvement. He has done well on the poly. **Allaroundtheworld** is never far back and loves the poly.

**Race Preview:** Trippi T has been rested but is super quick. He took to the poly with an easy win last time out and if ready he could be difficult to peg back. **B Fiftytwo** switches to the poly but has consistent form to stronger on the turf at recent outings. **Fine One** is down in ratings but does show ability. He has a fair weight from a wide draw but does have a touch of class. **Princess Hannah** has the best of the draw and her last two wins have come on the poly. **Race Preview:** Fort J'adore has smart form over this distance and has been consistent. She should run another forward race. **Grey Fantasy** may just have needed her last run and was not far back. She goes this trip for the first time but looks more than capable given her best showings. **Greenlitealtheway** has been trying further but the drop in trip and switch to the poly could bring out the best although she does have a deep draw to contend with. **Miss Paget** is back on what looks to be her preferred surface and goes well this trip.
