Race Preview: Nazare loves the track, has drawn well and should have a big say. He could prefer the drop in distance. In The Ether has been in good nick, finishing off her races well. She is carded to run prior and that run must be checked. After battling along for a bit, Radiant Heat finally put it together and actually won in good style. She has much in her favour again. Dancing Dora has been slightly disappointing but must be respected in a race like this. Pacific should be right there again. More can upset.

Race Preview: Blaze A Way could be the one to watch after a rest. The Gimmethgreenlight gelding showed promise earlier and can only get better with time. Longsword finally rewarded his followers and now that he has, he can go on to more success. Dontshootherbarman won an amazing race carrying 64kg last time. If in the same mood he could follow up even if having drawn a bit wide. Kinshin Sha is returning to his best distance and ran an encouraging race behind Longsword last time. Virginia Beach and Address The Nation could be in the money on best form.

Race Preview: Destiny Of Fire confirmed that she is still improving winning well while giving away chunks of weight to the runner-up last time. She also gives the impression she could do with the longer distance. Gerbera should also enjoy the 1800m. She did what was required to win her maiden at the third time of asking. Visionofpeace hasn't done badly over a variety of distances. She still has some upside and must be respected. Tuscan Star beat weaker in the maidens but she can earn with a light weight along with Free In Seattle.

Race Preview: Royal Mazarin is one of the most useful stayers in the region. He was in good form before a break. Damova is a horse that can lead or sit in behind runners. She should enjoy the step up in distance from her last start. Kabelo Matsunyane has timed his runs well on To The Rescue. The pair could be in the firing line again even if switching to a sharper track. Afraad is never one to write off in these stayers races. Only A Poet is consistent but has lacked a finish over shorter.

Race Preview: Dance King is highly regarded. He was entered in the Grade 2 Betway Dingaans but didn't give his best. He must be respected even if racing after a rest. Watch out for Bloomington who has dropped in ratings. He has run well against some decent sorts and has a solid record at this venue. King Of Numbers wasn't disgraced behind promising filly Spumante Dolce and could show the strength of that form. He has the best draw. Lava Fire also met a three-year-old with class last time but he tries further in this. Ombudsman, Mk's Dreams and Guy Alexander have earning potential.

Race Preview: When **Great Notion** was stepped up in distance she came on to win going away last time out. She is making her handicap debut and has a bit more to do but could be up to the task. **Sovereigns Call** confirmed recent improvement with a solid win in a better grade. He has drawn wide but could still follow up. **Laughing William** also won a good race and demands respect. He goes well for rider Denis Schwarz and must be respected even if having a bit more to do. **Legendary** has been progressive and should be right there along with **Fast Duty**.

Race Preview: **Andi's Girl** looked dangerous in a feature race last time. If she doesn't prove in need of the race after a rest she could add another win to her tally. Three-year-old **Theatre Of Life** is also returning and could be even better having matured. She is highly regarded and is looking to dictate matters here. But there will also be speed from **Ceuta** whose last run must be ignored when she had valid excuses. She could prefer the drop in trip. **Hierkommiebokkie** and **Soldier's Eye** both carry big weights but are capable.

Race Preview: **Accept Cookies** has been going about it the right way since opening her account. She should strip fit in her third start after a rest and has every chance of scoring. Watch out for **Mighty Goddess** who wasn't far off in decent races recently. She has run well after a break before but a slightly wide draw is a concern. **Boom Boom's** last run is best ignored. She was in good form prior and from gate one could come up with the goods. **Quasikat** and **Mocha Macaroon** have work to do from wide barriers. **Northern Kitten** and **Mix The Magic** could make the exotics pay having drawn well.
