Race Preview: A small field and it really should be fought out by **Kingdundee**, **Cliff Top** and **The Winter Lake**. Three-year-old gelding **Kingdundee** is rated to win this comfortably if the official handicapper is to be believed. He has not been seen since July 2024, though. **Cliff Top** blows hot and cold but if fit he should be right there at the finish over this particular course and distance. **The Winter Lake** is not reliable but is suited to this distance and is clearly not out of it.

The rider of **Seeking The Life** faces sanctions for his ride on her last time out and she would not be a surprise winner. **Hat Man** and **Bompas** showed improvement in their latest starts and can get involved with the finish again.

Race Preview: Lazy Guy only found one better on the day on local debut and could score. Coral Creek tried a feature last time out and could improve back in a handicap. Flash Lightning showed what he is capable of with a good win last time out and can follow up under a penalty. Gunsmoke is not reliable but should be included in all bets. Magnum Fire and Russian Empire are both unreliable but do win when they are in the right mood so are others to consider.

Race Preview: Ignitethelight has shown vast improvement since joining trainer Alan Greeff and her last run was particularly impressive. All those runs were on the Polytrack and she has to prove herself back on the turf. Strange Magic is unreliable but is also capable of earning some money. Arabian Red has improved of late and would not be a surprise winner. Volare E Mambo ran well on local debut but is not well drawn. Courageous makes her local debut and can earn some money. Sun Spectacular and Greenlight Dancer are two others to consider for the places.

Race Preview: La Vida Loca (6) found a potential star last time out. Shows some promise although making her poly debut. Nautical Landing (7) has shown her best form over course and distance and could be the stable elect although White Waters (1) is way better than her last run and with a 4kg claimer up from the best of the draw could see her home. Royal Mermaid (4) improved second time out and is one to watch in the market.

Race Preview: Greenlight Express is improving and could have more to offer. Whatever Next has been good of late and sets the standard but he may be vulnerable to younger improving runners. Abound has talent and won well last time out so should be a lively danger. Forest Spy has been very consistent of late and is not out of it. Masked Vigilante is very consistent and will be competitive yet again. Son Of Zeus is usually a threat this track and trip. Explosive Speed won a good race last time out and can follow up. Roomformanoevre does look better than the last run would suggest. Champonelle was a wide-margin winner on local debut.
