Race Preview: Santiago's Pride is carded to have run last Saturday. If competing in this he can win. The exact same thing can also be said of rival Lightinthestorm. The Merciful is also carded to have run in that race so clearly the outcome of that race is key to this race. Stop The Traffic has not shown very much so far but is capable of improvement.

Race Preview: Cherry Oh Baby has been a disappointment in that she has yet to win but she is knocking hard on the door and should make a bold bid at beating these rivals. Green Street has been runner-up in two of her three starts and will not go down easily this time either. Messalina is holding her form well and can contest the finish again. Intro can earn some more money for her connections. Artic Silver has a place chance. Gimme A Call could be looking for this distance so expect improvement.

William Robertson is always very competitive and should fight out the finish once again. Ice Star did not show her best last time out but is in receipt of a nice weight this time around and has a place chance. Mount Pilatus continues to improve and deserves respect but this is his toughest task to date.

Race Preview: Pacific is in good form and does set the standard for the race. Lonely As A Cloud and In The Ether both seem better than their last run would suggest. Together Again is very unreliable but could earn some money. Dancing Dora is carded to have run on Saturday 15 February but she can win a race like this. Smelting only found one too good on the day last time out and can go one better.

Race Preview: Fire Attack has been runner-up in his last two starts. Those performances were behind quality sorts and he looks hard to oppose if repeating that level of form. Wild Intent is clearly better than his last run would suggest and can contest the finish. Hotarubi has run well below his merit rating in his last two starts but can earn some money. Calantha and Peace Treaty have work to do at these weights but are both capable of getting involved with the finish.

Avoontoast is threatening to score again and has won at this track. Roaming Spirit and Shampimpi are both arriving for this after winning and are clearly capable of scoring again.
