Race Preview: Winter Warfare was only modest on debut. He did a lot better in his second start and can go one better this time. Golden Palm might need further than this eventually but did show promise on her debut and should be right there at the finish. Iced Marmalade makes her debut but is a filly by Danon Platina and she would not be a surprise winner. Action America makes his debut and could be ready for this. Stable companions Arlu and Pick A Pomodoro may need this run.

Race Preview: One Giant Leap only found one better on the day on local debut and should go one better this time going a little bit further. Stable companion Princess Beautiful has not shown much so far but could improve back on the grass. Bezonder has not shown much in three starts but is likely to improve with blinkers, making her local debut. Laugh Till I Cry needs to find a few lengths to win a race but could earn some money. Hat Montera is improving and should contest the finish.

Race Preview: There has not been much between Lovegrass and Bomber Girl based on when they met in their last two runs. Jockey Richard Fourie is on Lovegrass and gets the narrow choice to score. These two really should be fighting out the finish as Bomber Girl has shown very good improvement of late. Mythical Dream is unreliable but not out of it entirely. You Win Again is probably better on the Polytrack. Indebe Mayibuye took 9 starts to get out of the maiden ranks but is capable of improvement on local debut.

Race Preview: Original Copy looked good when scoring on debut last month. She could have more wins in her tank. Aspoestertjie was consistent in KwaZulu-Natal and won a nice race, beating Perfect Trust on the Hollywoodbets Greyville Polytrack. Both are clearly not out of it on local debut. Marshmallow may have found 1600m not ideal for her last time and can bounce back to be a real threat to these rivals. Thing Called Love is unreliable but did win her latest start and can earn some money. Ms Patty won on local debut and could be better than her merit rating.

Bethel is very speedy when in the mood and is clearly not out of it in this line-up. Captain Tik Tok is having his peak run and could surprise. Pendragon makes his local debut and could earn some money. Munchkin ran well on local debut and should be included in all permutations.

Gimme More Time did not show his best last time out but will do better this distance. Juan Carlos always gives of his best and should fight out the finish again. Painite needs to do more to beat these rivals but can earn some money. Nothingelsematters is back to his best and can get involved with the finish again.

Bournemouh reminded us what he is capable of with a solid win and can follow up if in the same mood. Peace In Our World is usually not too far behind in races of this nature and is not out of it. Official Secret is weighted to win and could relish this longer distance. Woman's World and Gideon's Daughter take on the males but are not completely out of it.

Race Preview: Prince Florian ran a good race last time when second to Deputy Chief and is now confidently selected to go one more and win his maiden - might be hard to oppose. The Green Gallant is very well tried but has more of a place chance than a winning one. Hard to predict when he is going to win as he has tried 33 times but is the type of horse that can never be ignored from any bets - respect and include. Trend Maker and Forest Drum are must includes for the quartet.

Race Preview: Cherry Oh Baby has been banging loudly at the door in Gauteng and taking the trip to KZN looks to be very hard to oppose. The one they all have to fear the most. Star Man is the value suggestion here as he has never been too far off the action - chance. Harun Al Rashid nearly won last time and has obvious winning claims tonight. Green Mile has a place chance. There are others in with some claims but they might have to go some to peg back Cherry Oh Baby
