Race Preview: I'm A Fireball is a son of Veringetorix out of a high-class mare and jumps from gate No 1. He could be the one to beat. **Mighty Zambezi** is a What A Winter colt drawn alongside must be respected. **Pinetti** is by Futura and may need a bit more ground but is out of a mare by Var and could still be prominent. **Black Frost** made improvement in his third start and should be in the money again.

Race Preview: Both Querari fillies, **Sol Nomara** and **Royal Kailani**, need to be watched. The former is bred to be quick while the latter is a half-sister to multiple Grade 1 winner Royal Victory. There are more newcomers to consider, follow the betting moves closely. **Captain's Pride** should have a decent chance at the win. She improved in her second start after finishing not far off on debut. **Miss Danon** didn't run badly in her first outing. The form line is working out well and she is also set to improve.

Race Preview: **Sovereign Command** found form when dropped to this sprint distance last time. He looks well placed for further improvement. **Life On The Tides** came to life, running on well, in his second start. Gelding may have done the trick with the son of Buffalo Bill Cody and he could be on the up. **Ms Galore's** last run is best ignored. She shows good pace and should improve if the going comes up good. **Verification** has a bit to find with **Sovereign Command** but that was only his second start and he has drawn well. More first-timers in it.

Race Preview: **Master Du Rouvray** just found one better in his first run after a rest last time. The form line hasn't worked out well but he did finish second best. Veringetorix gelding **O Space O** disappointed last time when weakening after showing good pace. That race was run in soft going and in any case he may prefer this shorter trip. **Vencedor** is holding form and could get rewarded. He will need things to go his way. Watch out for **Limelight Legend** who wasn't far off from a wide gate and has now drawn better. **Doin' Time**, **Owner Of Creation** and **Samuel Longsword** aren't out of it.

3 Magic Maverick	11 Perfectly Picked 6%		

Race Preview: **Royal Mermaid** ran a decent race at this venue second time out. Her last run on the poly is best ignored as she was found to be striding short. **Glorious Butterfly** doesn't have a lot to make up on the former and she too had excuses when well beaten by **Magic Maverick** who came back to form. Both need to be respected. **Sanbeenee** ran a cracker when coming from the clouds on the poly. She could much improve on her previous turf efforts. **Call Me Harriet** and **Umzolozolo** are also in with chances in a competitive fillies-and-mares maiden event.

Race Preview: Izibulo can improve dropping in class from her last start. She is also back to the distance she is one from one over. **Beautiful Rania** has not disgraced herself but seems capable of better. It could be the right race to get her confidence boosted. **Prom Queen** could be the dark horse. She has not been convincing in sprints of late but her one run over the trip against a higher grade was decent. **Fort J'adore** was in good nick before needing her last start which came after a break. She can step up on that run. More can upset in what could be a thriller.

Race Preview: Happy Analia has been knocking at the door and ran quite a decent race from an outside stall last time. If not minding the drop in distance she could finally get back to winning ways. **Mamas Baby** did everything but follow up on her win on the poly last time but was gallant in defeat carrying a lot more weight than the runner-up. She has won at this course and could get the upper hand this time. **Rugger Lover** is back in form. She did well to challenge for the win against males last time and must be included. **Wings Of Josephine** and **Tequila Sky** are better than their latest efforts.

Race Preview: Abaddon is out to complete a hat trick of wins. He won from a wide barrier last time and looks capable so could pull it off. But this is tougher. Specialist **Moya Wa Laliga** looked dangerous on the poly last time. He is back to his best track and trip and having drawn alongside **Abaddon** could take it to the wire. **All The Time** will be looking to turn around the form with **Abaddon**. He finished 0,80 lengths behind the latter and is now 1,5kg better off at the weights. **Lexican Point** and **Real War** have room for improvement. More can earn.
