Race Preview: Mr Fox was unplaced in all six starts in the Western Cape. He makes his local debut after a change of trainer. Alan Greeff does well with horses of this nature, and he looks the one to be with. Silvery Surfer looks a bit better than his last run would suggest and could earn some money. Fizzly Bubbly showed some improvement last week and can do even better this time. House Of Sussex is unreliable but did run well last week and can contest the finish. American Eagle and Greedanddesire make their local debuts and can get involved with the finish. Stormstride is another to consider over this track and distance.

Genteel prefers it on the turf and has a winning chance in this line-up. Bezonder was not disgraced on local debut and should do even better this time. Maxigirl and Dancing In Winter probably need to do a bit more to win a race but could earn some money. Hat Montera has improved of late and can also get into the money.

Brenden James showed improvement last time out and can go one better. Waz Wouter is better than his last run would suggest and could bounce back to be a threat.
