Race Preview: Ashikule stayed on powerfully behind Military Command on debut, he was still very green and managed to finish second behind a smart horse that went on to win the Cape Slipper, with form like that and with natural improvement on the cards, he will be very hard to beat here. Spirit is a lovely colt, there is no doubt that he will mature into a nice horse with time, the yard thinks highly of this individual, he must be included into all bets. Demanding Dave showed good improvement from his first start into his second start, he should be finishing off his race strongly, watch him closely. Call Of The Karoo has been rested for 77 days, he is much better than his last run, if he can put that poor performance behind him, he could sneak into the places.

Race Preview: Back From War had legitimate excuses for a disappointing last start in a 1000m feature but she will be more competitive over this extended trip and in these calmer waters. Littlemisssplendid built on the promise of her debut 3rd over this course and distance by winning last time. She concedes 3kg to all her rivals but could prove up to the task, especially with further improvement expected. Red Caramel was a well-beaten 2nd in her latest outing but could get into the picture. Debutantes Gulf Of America, Japanese Garden and Matcha Mint are attractively bred newcomers - watch the betting!

Race Preview: Marketa ran a super race on debut behind Cliffscape on the 22nd of March, she was drawn poorly at Hollywoodbets Durbanville and she still managed to run just three lengths behind the winner, there is no doubt that she will improve tons from that performance, watch her closely, she has a big winning chance. Una The Unicorn improved nicely in her second start at the races behind Cliffscape, she will be stalking the speed early, and she will be storming home late, include her into all bets. Paralegal ran a lovely second behind Jordash on the 11th of February, her form is good, she will be right there in the finish. Got The Look was only beaten just over five lengths on debut, the form of that race has worked out well, she could sneak into the places at a big price.

Race Preview: Aristotle was outgotten in a similar contest over slightly further in his last start but this shorter trip will be more to his liking and a repeat of his most recent performance should suffice. Best-weighted Grand Crescendo and favourably treated Gimmeanotherchance are better than their latest appearances suggest. Both could trouble the selection if bouncing back to their best/earlier form. Royal Force has a bit to find on recent form but remains open to improvement so could get closer. Salute The Flag is unbeaten over track and trip so cannot be overlooked.

Race Preview: Thingamabob ran a fair race behind Wehaveasituation on the 26th of March, she was unfortunately drawn badly on that occasion which didn't help her chances, now that she drops back in trip, she should have a good winning chance here. Cape Captain has improved nicely in her last two runs up the straight at Hollywoodbets Kenilworth, the yard is in great form at the moment, she must have a good each way chance in this wide open race. Alex Miller drops back in trip for this Open Maiden on Saturday afternoon, she never runs a bad race, this looks to be a good opportunity for her to exit the maiden ranks, include her into the play. Alessia Asheville could be some decent value, she has been drawn terribly in her last two starts at Hollywoodbets Durbanville, and she has run two very nice races from those bad draws, with some luck in running on Saturday, she could absolutely trouble them all in the finish.

Race Preview: Artic Silver has improved to finish nearer the winner with each outing and her recent performances suggest this extended trip will unlock further progress. Art Nouveau isn't likely to remain a maiden for much longer. She is engaged to run at an earlier meeting and may not take her place/be eligible to run in this race. Experienced City Lights fits a similar profile with the form and experience to play a leading role. However, she is vulnerable to the less-exposed younger rivals, including World Tour and Flightlight.

Tripping Thunder is as consistent as they come, he never runs a bad race, he will be on speed and should be in it for a long way, include him into all bets. Digby has been rested for a long time, he ran a super race on debut behind Billy Cool, if he doesn't need the run badly, he could certainly win a race like this. Iko Iko has been rested for 298 days, his form is good, if he doesn't need the run, he could be a major factor here.

Gold Dust ran a terrific race behind Dubbelosix on the 5th of March, there is no doubt that he is improving with every start, he should get the run of the race from a good draw, include him into all bets. Vapour Trail has been rested for 66 days, he is a two-year old taking on older horses which won't be easy, but he is packed with ability and should love the step up in trip from a good draw. Smart Horse was well beaten last time behind Noble Hero, he could sneak into the places at best. It's a tricky race, you will need to go wide in all your bets.

Race Preview: Lightly raced 3yo **Musical Score** remains open to improvement and needn't improve much on a good 3rd over 1200m (his first appearance as a gelding) to play a leading role over this extended distance. Hard-knockers **Silent War**, **Radicchio** and **Thunee Playa** renew rivalry having clashed over 1800m at this venue earlier in the year. Best-weighted **Thunee Playa** emerged victorious on that occasion and is good value to confirm his superiority over a distance he enjoys. **Zuzan** and **Royal Edition** are others with earning potential.

Race Preview: **Kinda Wonderful** stayed on exceptionally well behind the improving Give Me Everything in the Listed Cape Fillies Classic, she will be stalking the speed early and running on strongly late, she must have a good winning chance here. **Princess Izzy** ran a lovely race in the Grade 3 Prix Du Cap on the 22nd of February, she absolutely loves this trip of 1400m, from a good draw, she will be competitive and must be respected. **Scarlet Macaw** is much better than her last run, ignore that poor performance, even though she is drawn awkwardly, she should appreciate dropping in trip and will be hitting the line hard late. **Callmegetrix** is as honest as they come, it will be a tough task for her to win, but she could earn some place money for the connections.

Race Preview: **Dreamland** bounced back to form in a similar contest last time over 1160m and a repeat of that performance under a 4kg-claiming apprentice could suffice. Van Vuuren-trained runners **Cosmic Star** and **Chyavana** have the means to play leading roles but return from lengthy absences, so their race readiness has to be taken on trust. **Yamadori** is at the peak of his powers and has run well for jockey Philasande Mxoli, albeit at a slightly lower level. He should remain competitive at this level receiving weight from all. Speedy filly **One Fell Swoop** is also respected.

Race Preview: **Garrix** was gelded on the 24th of February, he is undoubtedly one of the better three year olds in the country, his form is excellent and he will love the drop in trip to 1600m, he will be very hard to beat. **Zapatillas** ran a much better race in the Listed Jet Master Stakes behind The Real Prince, he is a good looking sort packed with tons of ability, he is slowly starting to drop in the ratings, watch him closely, he should be right there in the finish on his best form. **Let It Be Said** won well on the 8th of March at Hollywoodbets Durbanville, he can be quite strong in his races, if he relaxes early and settles into a good rhythm, he could be competitive with no weight on his back. **Billy Bowlegs** had no luck in running last time, he was taken up for a number of strides in the home straight, with a clear passage on Saturday, he could sneak into the places at a decent price.

Race Preview: **Buffalo Storm Cody** could hardly have been more impressive last month when winning over 1160m on his reappearance after a rest and gelding. He remains open to improvement and it could pay to follow his progress. However, he is engaged to run at an earlier meeting so his participation isn't guaranteed. Last-start winner **Mount Pinatubo** heads a 3-pronged attack for trainer Johan Janse van Vuuren but his race readiness is a concern after a lengthy layoff, thus stabledmate **Salenio Peninsula** could pose more of a threat, especially over this shorter trip that is more to her liking.

Race Preview: **La Pulga** absolutely took off late to run a great race behind All Out For Six on the 16th of March, he was a long way back in running and really caught the eye late, he should love the step up in trip to 1800m, on his best form, he will be hard to beat here. **Pinot Grigio** has been rested for 115 days, he is still improving with every start, if he doesn't need the run badly, he could be a serious threat with no weight on his back. **Rule Of Thumb** won well on the 8th of February at Hollywoodbets Kenilworth, he was given three points for that victory, he is a gutsy sort that tries hard, if the race works out for him, he could earn again in this competitive race. **Fibonacci** hasn't won for a long time, he ran a fair race last time behind Legal Counsel, if he can improve from that performance, he will have a money chance.

Race Preview: Cases can be made for most but it could pay to side with **Elmbee** whose encouraging last start came at a higher level. **Azaleas For All** has a bit to find on that form but should pose more of a threat on these revised weight terms. Top-weight **Ancient Wisdom** is unbeaten over this distance and will also be more competitive in these calmer waters after running in a Grade 2 last time, though **Key Worker** finished ahead of that rival in the Oaks Trial last time and is better off at the weights. Improver **Lapis Lazuli**, **Teo Torriatte**, consistent **Free In Seattle** as well as **Tried And True** also have each-way claims.

Race Preview: Last-start winner **Miss Scaletta** and thriving **Doitwithdiamonds** are likely to fight out the finish. The former scored at this level last time and races off a career-high mark but is yet to show her best form in 2 starts over this distance, so preference is for maturing **Doitwithdiamonds** who is going from strength to strength since relocating to the Highveld. **Mary's Greenlight** and **Rani Of Kittur** are better than their last starts suggest and could trouble the principals if bouncing back to their earlier form. **Juliet Tango** isn't taken lightly either.

Race Preview: **The Us Of A** has been rested and gelded, he is much better than his last run on the 25th of January, if he doesn't need the run badly, he will be super competitive on his best form. **Piroshka** has dropped nicely in the ratings, his form of late has been very good, he could be some decent value in the lucky last. **Rattlesnake** stayed on strongly late last time behind **Peace Of Mind**, if he gets the right run in transit, he will be hitting the line hard, include him into all bets. **Peace Of Mind** led the field from start to finish on the 16th of March, she won a good race, she was only given two points for that victory, with similar tactics here, she could be hard to fetch, watch her closely.

Race Preview: **Kaiboy** is packed with ability, he ran a lovely second behind Symphony In White on the 26th of February, the yard have always spoken highly of this individual, he should get a good run in transit just behind the speed, and he will be low flying late. **Arctic Wizard** had no luck in running from a wide draw last time at Hollywoodbets Durbanville, ignore that run completely, he will be on speed and should run a cracker now that he is back up the straight at Hollywoodbets Kenilworth. **Elusive Winter** has been in excellent form of late, he is a real speedball, he looks to be maturing into a nice sprinter, this is the horse they will all need to fetch late, he must be respected. **Nordic Chief** quickened up smartly to win a good race on the 5th of March, he was given four points for that win, he must be included into the Quartet.
