Race Preview: Ashikule stayed on powerfully behind Military Command on debut, he was still very green and managed to finish second behind a smart horse that went on to win the Cape Slipper, with form like that and with natural improvement on the cards, he will be very hard to beat here. Spirit is a lovely colt, there is no doubt that he will mature into a nice horse with time, the yard thinks highly of this individual, he must be included into all bets. Demanding Dave showed good improvement from his first start into his second start, he should be finishing off his race strongly, watch him closely. Call Of The Karoo has been rested for 77 days, she is much better than her last run, if she can put that poor performance behind her, she could sneak into the places.

Race Preview: Marketa ran a super race on debut behind Cliffscape on the 22nd of March, she was drawn poorly at Hollywoodbets Durbanville and she still managed to run just three lengths behind the winner, there is no doubt that she will improve tons from that performance, watch her closely, she has a big winning chance. Una The Unicorn improved nicely in her second start at the races behind Cliffscape, she will be stalking the speed early, and she will be storming home late, include her into all bets. Paralegal ran a lovely second behind Jordash on the 11th of February, her form is good, she will be right there in the finish. Got The Look was only beaten just over five lengths on debut, the form of that race has worked out well, she could sneak into the places at a big price.

Race Preview: Thingamabob ran a fair race behind Wehaveasituation on the 26th of March, she was unfortunately drawn badly on that occasion which didn't help her chances, now that she drops back in trip, she should have a good winning chance here. Cape Captain has improved nicely in her last two runs up the straight at Hollywoodbets Kenilworth, the yard is in great form at the moment, she must have a good each way chance in this wide open race. Alex Miller drops back in trip for this Open Maiden on Saturday afternoon, she never runs a bad race, this looks to be a good opportunity for her to exit the maiden ranks, include her into the play. Alessia Asheville could be some decent value, she has been drawn terribly in her last two starts at Hollywoodbets Durbanville, and she has run two very nice races from those bad draws, with some luck in running on Saturday, she could absolutely trouble them all in the finish.

Tripping Thunder is as consistent as they come, he never runs a bad race, he will be on speed and should be in it for a long way, include him into all bets. Digby has been rested for a long time, he ran a super race on debut behind Billy Cool, if he doesn't need the run badly, he could certainly win a race like this. Iko Iko has been rested for 298 days, his form is good, if he doesn't need the run, he could be a major factor here.

Gold Dust ran a terrific race behind Dubbelosix on the 5th of March, there is no doubt that he is improving with every start, he should get the run of the race from a good draw, include him into all bets. Vapour Trail has been rested for 66 days, he is a two-year old taking on older horses which won't be easy, but he is packed with ability and should love the step up in trip from a good draw. Smart Horse was well beaten last time behind Noble Hero, he could sneak into the places at best. It's a tricky race, you will need to go wide in all your bets.

Princess Izzy ran a lovely race in the Grade 3 Prix Du Cap on the 22nd of February, she absolutely loves this trip of 1400m, from a good draw, she will be competitive and must be respected. Scarlet Macaw is much better than her last run, ignore that poor performance, even though she is drawn awkwardly, she should appreciate dropping in trip and will be hitting the line hard late. Callmegetrix is as honest as they come, it will be a tough task for her to win, but she could earn some place money for the connections.

Zapatillas ran a much better race in the Listed Jet Master Stakes behind The Real Prince, he is a good looking sort packed with tons of ability, he is slowly starting to drop in the ratings, watch him closely, he should be right there in the finish on his best form. Let It Be Said won well on the 8th of March at Hollywoodbets Durbanville, he can be quite strong in his races, if he relaxes early and settles into a good rhythm, he could be competitive with no weight on his back. Billy Bowlegs had no luck in running last time, he was taken up for a number of strides in the home straight, with a clear passage on Saturday, he could sneak into the places at a decent price.

Race Preview: Kaiboy is packed with ability, he ran a lovely second behind Symphony In White on the 26th of February, the yard have always spoken highly of this individual, he should get a good run in transit just behind the speed, and he will be low flying late. Arctic Wizard had no luck in running from a wide draw last time at Hollywoodbets Durbanville, ignore that run completely, he will be on speed and should run a cracker now that he is back up the straight at Hollywoodbets Kenilworth. Elusive Winter has been in excellent form of late, he is a real speedball, he looks to be maturing into a nice sprinter, this is the horse they will all need to fetch late, he must be respected. Nordic Chief quickened up smartly to win a good race on the 5th of March, he was given four points for that win, he must be included into the Quartet.

Race Preview: The Us Of A has been rested and gelded, he is much better than his last run on the 25th of January, if he doesn't need the run badly, he will be super competitive on his best form. Piroshka has dropped nicely in the ratings, his form of late has been very good, he could be some decent value in the lucky last. Rattlesnake stayed on strongly late last time behind Peace Of Mind, if he gets the right run in transit, he will be hitting the line hard, include him into all bets. Peace Of Mind led the field from start to finish on the 16th of March, she won a good race, she was only given two points for that victory, with similar tactics here, she could be hard to fetch, watch her closely.
