**Race Preview:** Spirit ran a fair race last time behind All The Rage, he raced just off the speed and stayed on nicely to the line late, he is still improving with every start and must be respected here. Bugle Boy ran a lovely race on debut at Hollywoodbets Durbanville, he was still very green and managed to finish off his race nicely late, if he can build on that performance, he will have a good winning chance. Big Deal ran fifth on debut and was beaten just over eight lengths by the winner, the form lines of that race have worked out well, he can only improve with more racing, watch him closely. It's a race filled with many well-bred first timers, watch the market and watch them move down to the gates before making your final selections.

**Race Preview:** Joueur De Flute ran a fair race in a very weak field last time, he would have needed that run back from a long rest, he has the experience and should improve quite a bit from his last run, include him into all bets. Call Me Jane has been rested for 153 days, she ran a good race on debut when finishing second behind Priscilla Maisey on the 29th of October 2024, she was then very disappointing in her next start behind Love Story where she ran just over five lengths behind the winner, she is much better than that performance, watch her closely, she can improve here. The raced runners definitely don't have strong form, watch the first timers and watch the market again in Race 2.

Crafty Crofty made a fair debut and can be expected to make huge improvement in this field - exacta selection. Explosive Power could run well on debut and Miss Danon can improve.

**Race Preview:** Sierra Sagrada stayed on really well to the line on debut, he was very green and still managed to run just over six lengths behind North Point, he will love the step up in trip, from a good draw, he will go close to winning. Real Stunner comes back to the track from a rest and gelding, his last two runs have been good over 1600m, if he can beat the tricky draw and he doesn't need the run badly, he should run a big race. Exalted Love has been rested for 86 days and he was gelded on the 5th of February, he has run two fair races up the straight at Hollywoodbets Kenilworth, he should enjoy the step up in trip on Monday afternoon, watch for a huge run from this gelding. Thomas Jenkins was gelded on the 20th of January, he might be able to sneak into the Quartet at a big price from a good draw.

**Race Preview:** Gripen is well tried but comes from the Cape and brings some fair form with! His penultimate effort when 2nd at Hollywoodbets Kenilworth is particularly good. He is the first suggestion. King Celtillus is making huge inroads and improving with each run - strong each way chance and a huge danger to the first choice. El Capitan has a huge place chance and should win soon. White Seahorse is a must for the quartet.

**Race Preview:** Mont Loisir has been in great form of late, he ran an absolute cracker last time behind Trippi's Silk, even though he has top weight of 61.5kgs to shoulder, he has the perfect draw of 1, he loves the distance of 1400m, and jockey Richard Fourie knows him well, he will go very close to winning. **Tres Chic** is as honest as they come, she never runs a bad race and she tries really hard, if she can get some luck in running from a wide draw, she will have a good each way chance again. **Ischyro** has been rested for 61 days, he ran a great race behind Arbitration on the 26th of February, he needs a particular ride, if the race works out for him, he will have a good money chance from a wide draw. **Mela Strength** should enjoy the 1400m trip, on his best form, he could be the value in a tricky race.

**Race Preview:** Boogieified won a great race on the 16th of March at Hollywoodbets Kenilworth, he had a tricky draw to overcome and still managed to beat a competitive field, he was given three points for that victory, on his best form, he can easily win again. **Green Garnet** finished six lengths behind Boogieified in his last start over 1400m, he can be a tricky customer out the gates, if he jumps on terms and he can race handy from a nice draw, he will be super competitive. **Devil A Saint** caught the eye in his last run behind a smart horse at Hollywoodbets Durbanville, if he can build on that performance, he could be competitive at a decent price. **Landoftherisingsun** comes back to the track from a rest of 76 days, he won his maiden impressively, watch him closely, he is still improving and should be running on strongly late.

**Race Preview:** Oni San has been rested for 65 days, she absolutely took off late last time for third behind **My Only Weakness**, she has dropped even further in the ratings, she must have a good winning chance here. **Lickety Split** has been rested for 93 days, ignore her last run completely, she was outclassed in the Grade 3 Summer Fling Stakes, even though she carries a big weight here, and this is on the short side for her, she will be doing her best work late. **My Only Weakness** ran a shocker in her last start behind Fun Zone, she is much better than that, the cheek pieces have been fitted and she gets a nice draw, she should bounce back to her best form. **Pilot Flame** has been in good form of late, she will enjoy the step up in trip to 1400m, and jockey Richard Fourie has been booked to ride, include her into all bets.

**Race Preview:** Kadzora is ultra-consistent and looks ready to record her next career win. She gets a neat draw and Muzi Yeni again. Basie Raakvat ran an attractive race last time, has solid overall form and should, again, give a very good account of himself. King Bavarian can finish in the first three and is a natural inclusion for the trifecta play and Mountainsofthemoon should be in the shake-up.

**Race Preview:** Dubbelosix ran a great race out of the maidens behind Congressman on the 22nd of March at Hollywoodbets Durbanville, he is still improving, this looks to be a nice race for him to be very competitive. Prime Venture ran a fair race on the Poly in PE, at this level, despite the big weight of 61.5kgs on his back, he should be right there amongst the places. Baton Rouge stayed on well last time behind Wehaveasituation, he can be dangerous from the front, and he has no weight on the back, watch for a big run at a good price. My Bestie will need to improve to win a race like this, he had no luck in running last time from a wide draw, ignore that completely, from a good draw here, he can improve and earn some money for the connections.

**Race Preview:** Babelicious is as honest as the day is long, she stayed on exceptionally well for second behind Mai Sensation on the 16th of March, her form is good, she must have a huge winning chance in this race. Trip To Maputo has been rested for 66 days, ignore her last run on the Poly in PE, now that she is back on turf up the straight at Hollywoodbets Kenilworth, she will run a good race, she likes to be switched off early and then comes with a strong run late, include her into the play. Back At The George won well on the 15th of February, she has been rested for 72 days, she was given four points for her last win, she is still improving and must be respected. Miss World is much better than her last run over 1400m, the drop in trip should help her improve.
